President's Report

By Ron Lawson

Hello Membership!

This COVID-19 has cancelled a lot of our tours. Read your email and newsletters for what is cancelled.

I am tired of eating grocery food. I want some restaurant food. Membership meeting in September will be at the Sirloin Stockade on September 10, 2020. They are open and they will have cafeteria style buffet service. Dinner at 5:30 and meeting at 6:30.

I want to thank Dennis and Kathy Meyers for a lovely weekend event with the Model A Club. The tour included an overnight at Clifty Falls Inn. Great tour.

Congratulations to club members MARC anniversaries. Jack Sullivan 45 year pin, Larry Morlock 40 year pin, Wayne Arnholt 35 year pin, Wayne Rosenbaum 25 year pin, and Pamela Schmelz 25 year pin. Let's give them a big round of applause!

International Model "A" Ford Day 2020 will take place Saturday, September 19th, with rain date of September 20th. This day is simply a formal opportunity for Model "A" Ford owners and Clubs around the world to all go out for a drive or event on that same day. Larry Morlock has planned a tour for this see else ware in the newsletter.

The 2021 MARC National Meet in Oshkosh June 7-11 is now accepting reservations at the Best Western host hotel; phone 920-230-1900 and mention MARC. However, Friday, June 11 is SOLD OUT. You will need to get on a wait list or find alternate accommodation that evening.

Finally, John Prohaska, your webmaster, is looking for additional photos to add to our website. Please email modelacolumbus@gmail.com with your historical photos of club events and tours that you feel have historical meaning.

See ya on the Road— Ron

MODEL A DAY TOUR, Saturday, September 19th

September 19th is International Model "A" Ford Day and everyone is asked to drive their A on that day. We are planning to have a driving tour to Butler Winery and all members are invited to participate. It will be a "social distancing" affair and everyone should bring their own picnic lunch and chairs (not a pitch-in). We will leave from West Hill Shopping Center at 9:30am and drive the back roads of Brown County. Anyone from Greenwood or north can meet us at beautiful downtown Bean Blossom around 10:15. We will drive past Lake Lemon and on to Butler Winery for lunch, where Bloomington folks can meet us. Butler Winery has an area where we can eat our own lunches or they have some lunch items available for sale. After lunch, we will head back home on the back roads again. Questions, please contact Larry Morlock at 812-371-6628 or lmorlock@att.net

The October Blue Ridge Parkway Tour Is Still On!

Leave **Tuesday, October 13** and return **Wednesday, October 21**. Checkout the <u>July newsletter</u> for the detailed itinerary. You will need to book your rooms by September 5th, as the blocks of rooms will end after that date.

Questions, contact Phil Sutton at (812) 336-8672.

Trip Report: Clifty Falls Tour Madison, IN July 31 - August 1

The tour began by gathering near the intersection of US 31 and IN-7. There were seven cars that caravanned to downtown Madison, Indiana. The weather was perfect. It was overcast, but not raining. There we rendezvoused with a few others who were coming from various locations. Most drove their Model A's, but we did have one beautiful orange '65 Mustang. Those attending were:

Roger, Cherryl & Eric Goodman
Dennis & Kathy Meyer
Jerry & Deanna Glunt
Mike & Carolyn Kemp
Larry Morlock

Phil & Marge Sutton
David & Wilma Evanczyk
Larry & JoAnn Wilcrout
Chris & Janice Rider
Tim Diehn

Jerry & Sharon Curbox
Ronnie Lawson & Katy (the future Mrs.)

Jack & Linda Sullivan Ron & Carmen Huddleston

The afternoon was on our own in downtown Madison. Activities varied from shopping, eating, sightseeing in the nearby vicinity, strolling along the Ohio River or visiting some local wineries.

As we left Madison and headed to Clifty Falls Inn, we made a stop at Hanover College and drove through the beautiful campus. It was a lovely, lush and very green.

We arrived at Clifty Falls Inn and everyone was on their own until dinner in the

lodge. The lobby was uniquely decorated with local animals that were tastefully displayed in their natural state, but no longer living. Our evening continued in a private dining room, where we enjoyed a delicious meal. Of course, we all did our best to socially distance while eating.

After dinner, there was a great time of fellowship outside the inn, with a wonderful view of the river. We all laughed and enjoyed each other's stories and company.

Saturday morning began with free time for those who wanted to sightsee in the park or take a hike to any of the beautiful falls. We met in front of the entrance to the inn for a photo opportunity. We took two pictures, one with masks to preserve the memory of the Covid-19 pandemic and one without.

After stopping for gas, the journey continued enroute to Stream Cliff Farm, Restaurant & Winery. We took the less traveled W. Deputy Pike Road, which was very scenic. There were lovely soybean fields, farms and views. Little did we know that we probably drove right by the residence of Jerry & Deanna Glunt!!

Upon arriving at Stream Cliff Farms, we had some time to relax and tour the grounds where lovely flowers were in full bloom! Others enjoyed the air conditioning of the winery and tasted the local wines. Our meal was served in the Twigs & Sprigs Restaurant. The meal was delicious and it was another opportunity to visit and relax with our Model A friends.

Our tour continued to the Historic Eleutherian College, which is listed on the National Register of Historic Places and is a National Historic Landmark. The Eleutherian Institute was founded in 1848 by a group of local anti-slavery Baptists at Lancaster in Jefferson County, Indiana. We were given a tour of the inside of the three story stone building and enjoyed a brief talk about the history of the College.

The tour concluded at the college with everyone saying their goodbyes and heading home in various ways. Everyone enjoyed this short tour and left looking forward to meeting again soon!

-Dennis and Kathy Meyer

'What Is It?' Challenge

Answer to last Month's Challenge

Spare tire lock. The Folton Company made this as an accessory item for the Model A Ford.

It took a special lug nut to attach the lock. Thanks to Bob Sneberger for submitting this.

What is it and where is it used?
